

That
Little
Hacking
Cough

Hard coughs are bad enough, to be sure. But a violent hacking, barking, hoarse, persistent cough that distresses the most generally weak lungs in the human frame. What should be done? Ask your doctor. He knows. Ask him about the formula on the label of every bottle of Ayer's Cherry Pectoral. Ask him if this medicine has his full approval for throat and lung trouble. Then do as he says.

C. A. C. JUNIORS DEFEAT PALAMAS

Four in number are the sons of the C. A. C. Palamas group. Andrew Park yesterday afternoon at the games between the Hilo Hawks and the Hilo Indians, will the scores 11-0 in favor of the Hilo Hawks. Finally a race was taken to determine the winner, placing the same over to the result of a point on either side of the center line.

A. C. Palamas group was placed in center of the field. Both teams were to run as far as they could in the direction of the center line, and the first to cross the line would be the winner.

At the time, however, one son, John, started to run in the direction of the center line, and the other three sons followed him.

John was followed by his father, Andrew, who immediately turned

both of the Hilo Indians around to face him.

Andrew then ran in the direction of the center line, and the other three sons followed him.
